**Leaflet Description**

This leaflet details the replacement parts used in AAA23851B assembly. In addition, it contains information for the PCBs that are required to make the jewel light up. The circuit board and the nut must be ordered separately.

**Leaflet Revisions**

<b>Date Revised</b>	<b>Subject Matter Expert</b>	<b>Reason for Revision</b>
October 25, 2003	Dennis Rehmer	New SPL
July 12, 2006	Joseph D. Zych	Added PCB p/ns AAA26800AJS4 and AAA26800AJS6 and Nut p/n AAA72JZ1
May 25, 2011	Joseph D. Zych	Add new parts AAA23851B35, 36
February 19, 2020	Ramone Reynolds	Added AAA23851B37 on new p. 8

**About Spare Parts Leaflets...**

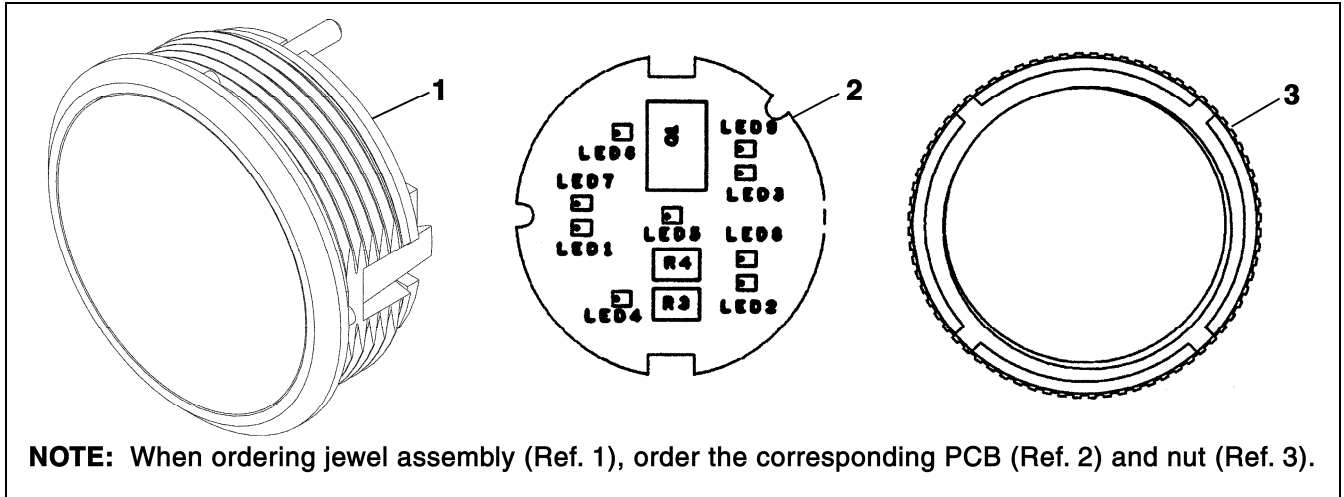

This document lists the lowest replaceable units (LRUs) for the standard version of the product. The LRUs are chosen by a team of Otis associates representing engineering and manufacturing.

While goal of this document is to make parts identification as easy as possible, the document cannot be all-inclusive. Elevator and escalator contracts classified as "special" or "custom" are not addressed here. For such contracts, please refer to specified information, the contract folder, TIPs, Field Education Articles, Construction Letters, etc. for further information.

If you have any suggestions about this document, please contact the subject matter expert listed on this page.
