About Spare Parts Leaflets...

This document lists the lowest replaceable units (LRUs) for the standard version of the product. The LRUs are chosen by a team of Otis associates representing engineering and manufacturing.

While goal of this document is to make parts identification as easy as possible, the document cannot be all-inclusive. Elevator and escalator contracts classified as "special" or "custom" are not addressed here. For such contracts, please refer to specified information, the contract folder, TIPs, Field Education Articles, Construction Letters, etc. for further information.

If you have any suggestions about this document, please contact the subject matter expert listed on this page.
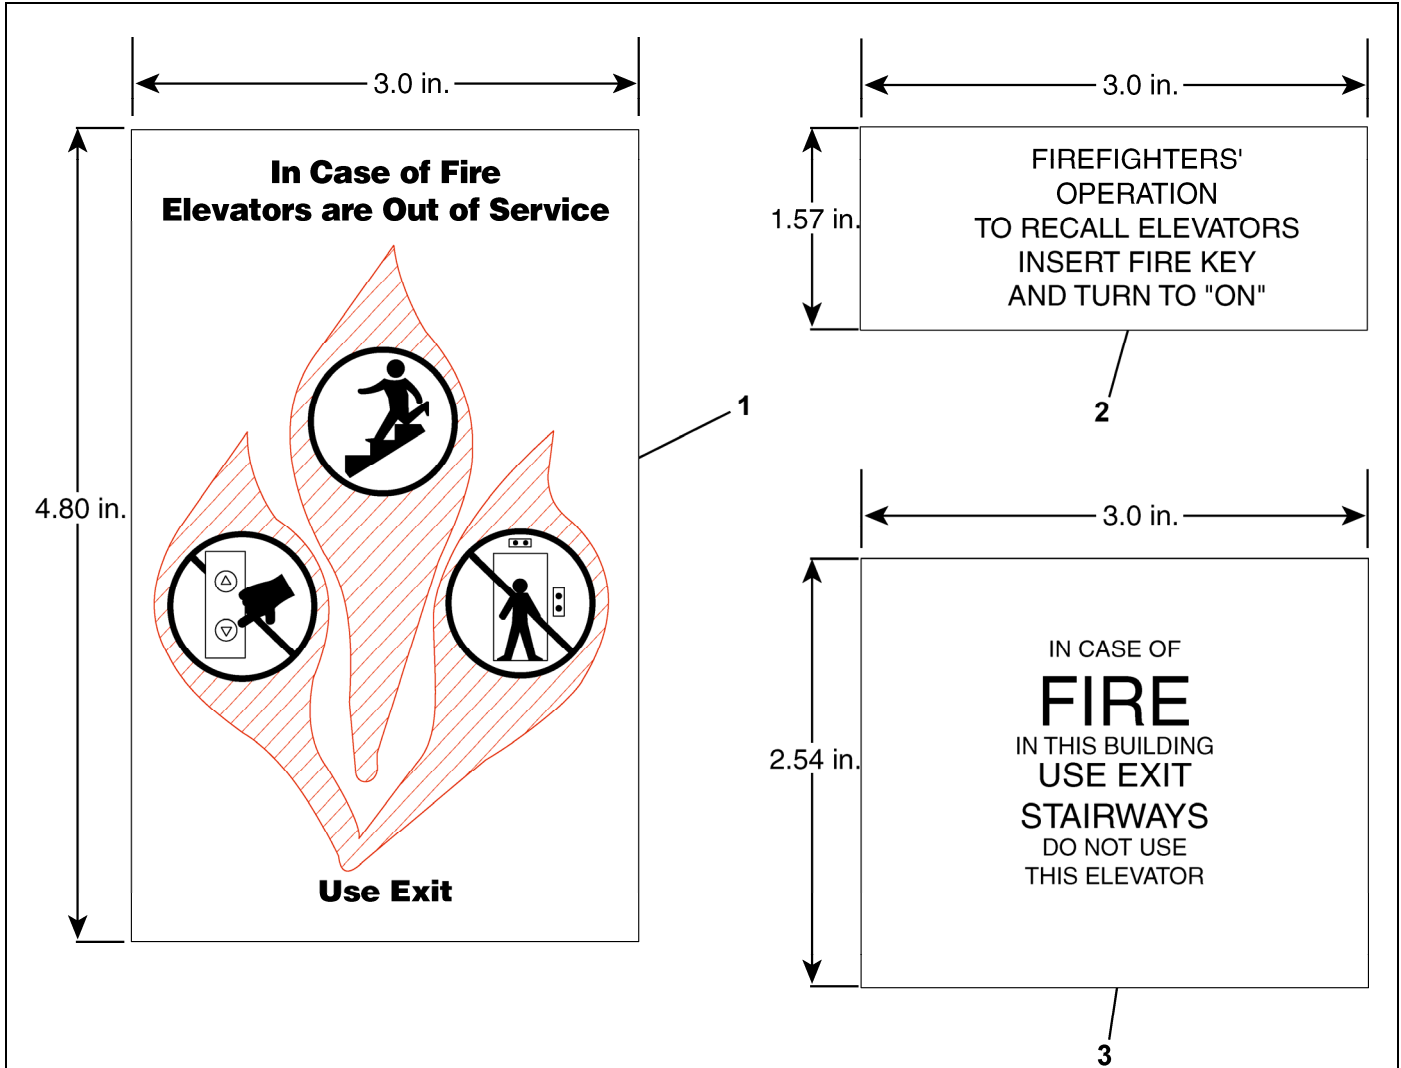

REF. NO.	AAA23500BF PART No.	DESCRIPTION
1	- - -	Button, Micromotion III, Vandal Resistant, Amber LED Illumination, Type AAA23500AM, ◉ SPL 31-AAA23500AM
